

Happy Thanksgiving!

The students of North Shoreview Montessori will be making Thanksgiving Bags for many less fortunate children in our community. These will consist of toothbrush, toothpaste, soap, shampoo, a pair of socks and maybe even a treat.

Your child's teacher should be asking for you to help participate in providing specific items to be purchased (Target, Kmart, WalMart, Dollar Tree etc.) Each bag will be decorated by the student and the items will be placed in each bag.

These bags will be presented to The Samaritan House at the time of the Thanksgiving Assembly on Wednesday, November 25, 2009 11:00am.

Please come and share this time with your children.
