CRAZY CHEMWORKS!!! LAB WORKS

Use your hands as a real Mad Scientist in this whirlwind class on how a lab works! Learn to manipulate laboratory equipment at your personal lab bench, and take home your very own Graduated Gear to continue your research!

JUNIOR REACTORS

Create a tiny world of atoms with your very own set of Atomic Coins! Learn to recognize chemical reactions and mix up a few reactive ingredients for some sensational results!

PH PHACTOR

Slide down the colorful pH scale and dip into the world of acids and bases! Explore the pH extremes with your Reaction Tube in what is sure-to-be a popping experience! Discover whether liquids found in your home are acids or bases using your personal pH Paper!

SLIME TIME

Ooze into a gooey hour of sliming around! Create slime using the Mad Science recipe, and then enter the Slime Olympics! Take home your own concoction of Mad Science Slime!

CHEM IN A FLASH

Hop on board the chemistry express for a high-speed science experience! Perform instantaneous experiments in this fast-paced class on split-second reactions that go like mad! Pick up an Action Flask and have a blast!

THE GLOW SHOW

Discover amazing things that glow bright in the dark and come to light! Probe the properties of light and explore some unusual applications of glow-in-the-dark technology! Use your Blacklight Writer to make secret messages that only you can see!

SUPER STICKY STUFF

Stick it to the walls, and push the power of tape to the limits in this adhesive hour on things that cling! Build a bond with glue and get attached to Professor Beakerdude!

DRY ICE CAPADES

Manipulate matter in all of its three states! Melt metal in boiling water and freeze water with just a breath of dry ice! Use your Thermocolor Cup to test the temperature of liquid matter in your home!

MAD SCIENCE PROGRAM POLICIES

WE HIGHLY RECOMMEND THAT THESE BE REVIEWED BEFORE REGISTERING

- Mad Science is held at your child's school.
 - All supplies and materials are included in the class fee.
 - All class sizes range from 10 to 20 students.
 - Mad Science will attempt to e-mail you prior to the start of the program to confirm your child's registration and inform you of the meeting location at the school.
 - Mad Science is not responsible for children before or after the stated class times.
 - An alternate topic may be substituted without notice, if necessary.
 - Mad Science accepts checks, money orders and credit cards when registering online. No cash please.
 - For refund requests made prior to the day the program starts, a \$20 processing fee will be deducted. No refunds will be made on or after the first day of class. A \$20 fee will be charged for checks that are returned unpaid.
 - Students are expected to comply with the behavior guidelines of their school. Parents will be contacted in the event of problems. Recurring problems will result in the removal from the class with no refund of fees.
 - If a minimum day is scheduled after the program begins, you will be contacted concerning changes. A make-up day may be added to the end of the session.
 - There is no make-up or refund for classes that your child misses. Please remind your child to attend class.
 - Late registrations will be accepted after the deadline on a space available basis.
 - Please contact Mad Science if you have any questions or concerns about our classes. We appreciate your feedback.
- *No registrations will be accepted on or after the first day of class.

MAD SCIENCE HOLI-DEAL CERTIFICATE

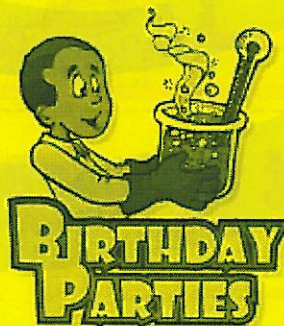

*If you are interested in a Mad Science holiday certificate, make sure and register online before 12/17/09. Once you have registered you will receive a confirmation email. Simply reply to the confirmation email and indicate your child's name, address you would like the certificate mailed to and any special message. We will then create your certificate and mail it out Friday, Dec. 18, 2009.
