

Montessori Math!!!

Parent Education Night
Tuesday, February 2, 2010
6:30pm
Parkside Elementary, Room 4
1685 Eisenhower Street

Ever wondered how your child is learning how to count, add, subtract, multiply and divide in a Montessori classroom? Come and learn how beads, blocks, banking materials and other materials unique to the Montessori classroom are used to give our children a lifelong love of math! This is one parent education night you will not want to miss!

Come join us!
