

The Children's ANNEX Spring Break camp presents:

OUR WORLD, OUR FUTURE, OUR CHOICE

What kind of environment do we live in? What kind of environment do we want our kids and grandkids to inherit? We all believe the air we breathe, the water we drink and the food we eat should be free from the earth's pollutants.

This year's theme camp is Our World, Our Future, Our Choice. Students will learn the significance of our role in helping the planet by simple choices we can make every day. They will also learn topics about the importance of recycling, interesting water facts, conservation and energy saving tips.

Students must bring lunch daily.

Morning & Afternoon Snack provided by The Children's Annex.
