Important Information:

- Open Registration is on a first come, first serve basis. If more children register for a division than we have available space, they will be placed on a waiting list.
- Players age must be 4 ½ to 18 years of age as of 7/31/10.
- New Players Only: Bring a Birth Certificate or Passport for age verification.
- Division U16 & U19 players must bring a wallet size photo for their player ID.

There are two ways (on-line or off-line process) to get the necessary forms to register your players for the Fall 2010 Season. This year we are recommending everyone to pre-register on-line as this saves both you and the league a lot of time and effort. Unless you don't have computer access (even local libraries have computers you can access), we are expecting parents to follow the on-line process. Both ways require that you come in person to Open Registration, however, pre-registering your player(s) on-line will be much faster because if you choose to come to registration without forms you will have to fill out a blank registration form.

SAN MATEO IS REGION 36

A. On-line Process (Recommended):

1. Log onto the AYSO registration site at www.eayso.org. Please note that the eAYSO system is down for maintenance on Monday evenings 6 PM – 10 PM.
2. If you are a first time user of eAYSO, follow the step-by-step instructions for a "first time" user...it is easy! Also, it is strongly recommended that you get a user name and password to save you time next year!
3. If you used eAYSO last year, you will discover that all of the information you entered last year is still there....just log on using your user name (your e-mail address) and password from last year and open the MyeAYSO window. Go to the parent section and update all of your information for both parents, then follow the steps to update or add any players and print their forms. When you have finished entering in your player(s) information be sure to print 3 copies of the pre-registration form for each player!
4. **Bring your printed forms to Open Registration along with your payment and go through a special express lane!**

B. Off-line Process (Not Recommended):

1. Come to Open Registration and fill out a new blank registration form.
2. Be sure to bring all of your player's medical, insurance, and doctors information.
3. Bring your payment and the league will perform all data input as in previous years.

If you have any questions, you can e-mail (kerstenbl@comcast.net) or call 341-4112 to leave a message.
