NSM Earth Day Celebration
Friday, April 23, 2010

Friday, April 23rd, North Shoreview Montessori School will be celebrating Earth Day with an Arbor Day Event in the morning and our annual Earthwalk in the early evening. Our school will once again come together as a Community to clean up the North Shoreview neighborhood and raise money for our school. Students will get sponsors for collecting trash and will receive a free Eco-friendly water bottle.

100% of the funds raised will directly benefit our school.

Following Earthwalk there will be entertainment, food available for purchase and other Earthwalk activities. More details on the event will be available in the following weeks

Help us raise money by participating in the Earth Day Plant Sale!

Check out the Flower Power catalog, delivered in your child's Thursday Folder this past week. This is a great way to get your kids involved in gardening, add some beauty to your home and support the school. The program features bulbs, plants, and vegetables that are planted in the spring for summer and fall blooms and **50% of the funds raised will directly benefit our school.**

You can either pickup your plants at school on Earth Day or add the \$5 shipping and handling fee to your order to have your plants shipped directly to your home.

Bay Area Hardy Zone: 8

Please make checks payable to North Shoreview Montessori PT A and submit orders to the Earth Day Plant Sale box located in the front office.

Last day to submit orders: April 2nd
Plant pickup at school: Friday, April 23rd

If you have questions about your order, please contact the plant sale coordinator, Janice Nygard, at jnygard@acm.org or 650.572.0452.
