

North Shoreview Montessori School

announces

Volunteer Sunday Beautification Days:

Are you ready to help your school look cleaner?

Have you been waiting to fix something for our school?

Will you help us beautify the campus for our students?

The time is now: (4/18/10, 5/2/10, and 5/23/10)

Please join us on the following Sundays, to share an afternoon at school. We will clean, fix, and beautify our campus, and make it a better place for our students to learn and grow. Members from the PTA Greens & Grounds Committee will host the events, and coordinate the planned activities. The work begins at 1:00 pm, and ends at 4:00 pm each day; please wear work clothes, and bring your own gloves, snacks and water. Tools will be provided, and you may bring your own, if you wish to.

We recommend you bring a friend, or family member, as more work gets done; and we'll have fun together, doing more for our school. We will have a sign-in and sign-out sheet, for recording the parent and student volunteer hours at these approved events. Please plan to attend as many dates as possible, to maximize your time for our school. No reservation required, just meet us in the lunch area at 1:00 pm, for the beginning of each beautification event.

If you have any questions, please contact our school principal; or e-mail the chairman at drechslercd@hotmail.com, with any concerns.

Thank you in advance for your contribution,

NSM Greens & Grounds Committee
