

Attention: 5th Grade Parents

The 5th Grade Promotion Ceremony will be on Thursday, June 10th beginning at about 1:30 p.m.

We are helping to organize the reception that will follow the ceremony and we would like to put together a slide show of current and past pictures of each 5th grader. We need your help!! Please send us a current and an older picture of your child (maybe something from K or 1st grade). If you have pictures of other 5th graders, send those along too. The best way to get it to us is to e-mail them to Michele Lobitz at michelemia64@gmail.com. If you can't send the pictures electronically, please drop off the original pictures in the school office. Please make sure that you **label the pictures** (whether electronic or hard copies) with your child's name.

We're working on a pretty short deadline so we need the pictures **by June 1st**.

Thank you for your help!
